The Art Newspaper Russia

The Art Newspaper Russia is a part of the world's most comprehensive and knowledgeable information network in the field of art. It is the only international publication dedicated to art in Russia. It comes out 10 times per year, has 64 to 72 pages and a circulation of 70 000 copies. The network consists of the Art Newspaper (UK and USA, founded in 1990), Il Giornale dell'Arte (Italy, 1983), The Art Newspaper Edition Française (France, relaunched in 2018), The Art Newspaper China (since 2013), The Art Newspaper Israel (since 2021) and The Art Newspaper Türkiye (since 2023). These publications took as their model the world's foremost socio-political newspapers, such as the Guardian, the New York Times, Corriere della sera, but are devoted to the news of the art world.

The Art Newspaper network's publications are distributed in 60 countries. Correspondents from more than 30 countries supply news and reports to the offices in London, New York, Paris, Turin, Athens, Moscow, Tel Aviv, Beijing and Hong Kong.

Our goal is to introduce Russian-speaking audiences to the international art context, and help integrate Russian art into the global art network.
